November 2024

Dear Friends of CIS,

This is a time of change, a transition period, for Community of Infinite Spirit. While we move through the loss of Rev. Mark Stuefloten, our Assistant Minister and President of the Board, we take this time to remember him and celebrate his life. His Celebration of Life service is being held on November 24, at 11am by RSVP. If you are interested in attending, contact Rev. Teresa Stuefloten at 408-888-4637. On Sunday Nov. 24th, there will be no live call-in Sunday service. Instead, an encore service in which Rev. Mark presented the talk shall be promoted on our YouTube channel, Facebook page; links to these are on our website. Nov. 24th encore Podcast service will also have a link on our website home page www.CommunityofInfiniteSpirit.org.

It is official, Cheryl Magill is our new President of the Board. We thank her for taking on this new role. Cheryl has been serving on the Board of Directors as Vice-President since 2018. We are very fortunate to have her commitment.

Starting on Nov. 1st, Rev. Teresa Stuefloten will be our new full-time Assistant Minister. We welcome Rev. Teresa in her new expanded role at Community of Infinite Spirit. She has been volunteering her services as Assistant Minister since 2015. We are so ever thankful to have Rev. Teresa step into her next level of ministry here with us.

“Letting Our Light Shine” by Rev. Christine Emmerling D.D.

It amazes me how resilient people are. It seems for the past 10 years that the storms, fires and earthquakes are only getting bigger and doing more destruction. Some people rebuilding their homes multiple times or totally displaced due to these catastrophes. In parts of the world, there are wars taking place leaving behind more destruction. In the wake of all this turmoil we have our heroes, miracles and our saving grace.

It is during these rough times that people’s compassion comes out to help those less fortunate. People share their money, and volunteer their time, talents and labor. It is also during this time of change, that people question life’s purpose and seek spirituality. They are drawn to reflect and learn from the past, and to live in the here and now putting one foot in front of the other, so to speak. In these tough times we find out what we’re actually made of -- the living Spirit of God is our life and strength to continue on regardless of the circumstance life gives us.

How many times in life do we shake ourself off and pickup the pieces and start over again. Most of us probably more than we would like to count. I know for me it has been quite a few times. Did I ever get weaker? In time maybe physically, but spiritually never. These challenges in life only made my faith stronger by my putting to practice what I have learned about spiritual Principle. Looking inward for the inner strength to see me through. Here is an affirmation I say, “The Christ Light radiates through me and out into the world” and an old favorite, “The Christ goes before me making the crooked roads straight.” I recommend to have an affirmation at-hand that can be applied when challenged.
